A screenshot from a video game showing a battle in a frozen, icy arena. Two large, green, winged dragons with glowing eyes stand in the background. In the foreground, a player character with long black hair and a green hood is crouching. Four other player characters are positioned around the arena. The bottom of the screen features a status bar with the following data:

ATTACK	MAX	HP	MP	TP
SKILL	AMY	9,379	897	150
GUARD	JOHNNY	5,727	1,651	115
ITEM	LUCAS	5,715	898	150
		5,154	1,682	150

I can't recommend this. It was fun for a few minutes, but it has minimum storyline, the fights all feel the same, and in the couple hours I played, I barely even found a fight that was challenging. Not worth it
